Subject: July 18, 2019 Public Records Act Request

Dear Ms. Rock,

This letter serves to acknowledge your California Public Records Act request dated July 18, 2019. You requested the following records:

"All documents pertaining to the state's emergency plans for a heat wave or for extreme heat"

The Cal OES "Contingency Plan for Excessive Heat Emergencies" can be found online at:

<https://www.caloes.ca.gov/PlanningPreparednessSite/Documents/ExcessiveHeatContingencyPlan2014.pdf>

To the extent that you are seeking other documents, the request, as currently written, is overbroad and unduly burdensome. (See *Fredericks v. Superior Court* (2015) 233 Cal.App.4th 209, 225 ["An agency may legitimately raise an objection that a request is overbroad or unduly burdensome...."].) A Public Records Act request needs to "reasonably describe an identifiable record or records." (Gov. Code, § 6253(b).)
